Lab Tests

Convenient Locations & Quick Results

When your Community Memorial Healthcare physician orders tests, you don't need to wonder where to get them. Just stick to the system! Our lab draw stations are conveniently located throughout Ventura County. And, our physicians have discrete, 24/7 electronic access to your test results just as soon as they are ready. Count on us for:

- Faster turnarounds than any other lab in the area — most common lab results are available within hours after draw
- Complete results for your review through our patient portal
- Mobile laboratory services for skilled nursing and assisted living facilities
